

# ENVIRONMENTS

FUNCTIONAL DESIGN FOR INTERIOR SPACES

[www.invironmentsusa.com](http://www.invironmentsusa.com)

*Work with a company that has a 30 history of great pride in its craftsmanship and innovation.*

*Work with a company where your next project is its next showpiece.*

*Work with a company that respects your budget AND your deadline.*

Work with  ENVIRONMENTS.

Invironments is equipped to take on any project with quality and precision.

Regardless of the size of your project our skilled team of craftsmen will work with you to ensure your vision is fulfilled.

By adapting to our ever changing marketplace, we now offer a vast collection of capabilities that set us apart from the rest.

Hermon, ME 04401

Invironments is a full service architectural millwork company specializing in custom crafted storage and surface solutions, decorative mouldings, fixtures, and displays.

With today's most modern technology and age-old craftsmanship, we create distinct product solutions for all our customers.

If you are an architect, general contractor, or business our team will work closely with you to get details identified early (and accurately) to ensure your project is implemented correctly, finishes on time, and on budget.

**Give us a call today and put our team to work for you!**
